* If the entry in column 1 is less than the entry in column 2, write "0" in column 1.

** If the "Higher Number Previously Paid For" in Part II is less than "0", write "20".

*** If the "Higher Number Previously Paid For" in Part II is less than "3", write "3".

The "Higher Number Previously Paid For" (Total or Independent) is the highest number found in the appropriate box in column 1.

The collected information is required by 37 CFR 1.16. The information is being used to determine whether the application is filed under the right statute, the right classification, and the right filing date. This information is also used to calculate the filing fees. This information is also used to determine if the application is filed under the right statute, the right classification, and the right filing date.

The information is being used to determine the correct filing fee for the application. The fees are dependent on the individual claim types and the total number of claims. The fees are dependent on the individual claim types and the total number of claims.
